

### Roald Dahl Week

Everyone has been busy finding out about the life and books of Roald Dahl this week.

Classes have enjoyed acting out some of his best known stories: Year 1 and 2 rowed across Willy Wonka's chocolate river, Year 3 and 4 created their own giants in the BFG and Year 5 and 6 have been on the lookout for witches! This has led to some wonderfully descriptive writing.

### Dahlicious Dress Up Day

We dressed up as some of the famous Dahl characters to support the 'Roald Dahl Marvellous Children's Charity' which provides medical and emotional support to children with serious and rare conditions, and their families.

Thank you to everyone for raising over £150 towards this.

What creative ideas we had-we loved seeing everyone's outfits.

What is it all about?

### Website Photoshoot

Next **Tuesday 20<sup>th</sup> September**, we are having a photoshoot in school to use on our new website.

Please remember to sign the 'Use of Images' consent form attached to the last newsletter. A copy is attached again in case you have misplaced it.

### After school clubs

After school **sports clubs** have begun this week for children in **Year 1 and 2**. If your child has not signed up but would like to do so, please let the office know.

Next Wednesday, 21<sup>st</sup> September, after school **singing club** will begin for children in **Key Stage 2**. A letter is being sent home today with further details.

### Site Security

We have had a number of bikes stolen from the bike shelters. We have involved the police and whilst the shelters are locked during the day, we suggest that parents ensure bikes and scooters have locks to protect them when the shelters are opened at home time. To help parents with this, we have ordered a quantity of locks which will be available from the office next week for £1.

We are also making further security improvements to our premises by installing cameras at the gate and main entrance so we can monitor visitors more easily and by replacing the gate token system with an intercom.

### ParentMail

Since the ParentMail upgrade last term, we have continued to have lots of problems which the company have been unable to resolve. We are currently looking at different companies who can provide a more reliable electronic payment service and will let you know as soon as we have more information. If you would prefer to pay in cash we will be happy for you to do so until all problems are resolved or a new system is introduced.

If you wish to do so please be sensitive to other people in the audience and to the children taking part. In order to keep all members of the community safe we ask that if these contain other children or staff, these images are not distributed or put online. This is to protect all members of the community. We thank you for your support.
